

Sabbatical Update

from Joe and Elfi Muutuki

September 2017

Dear friends,

It was raining on and off on Monday this week, interspersed with some sunshine. It has been the same since Monday and it seems like the fall weather is here with us in Hessen, Middle Germany. The amazing thing on Monday though was as Elfi came out of a ladies fellowship she spotted this spectacular rainbow and took a picture of it. It confirmed to us that

the rainbow remains a visible sign from God to his creation as He put it,

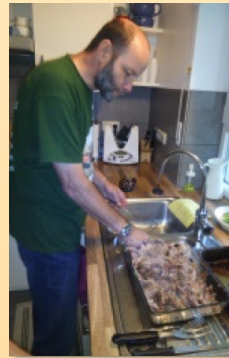

“when I send

clouds over the earth, the rainbow will appear in the clouds and I will remember my covenant with you and with all the living creatures, Never again will the floodwaters destroy all life” Gen 9:15-16 NLT.

All the natural disasters we experience such as the recent hurricanes and floods are temporary because in the midst of their chaos and destruction even when it is painful because of the losses they leave behind God still remembers his covenant promise through the rainbow and says never again will he destroy **all** life through floodwaters!

We have been in Germany now three months. We have had time to visit churches and house groups to share how God is working at NCF in

Kenya. We are thankful to reconnect with old friends and make new ones. A family friend

treated us to “pulled pork”, it was a first for us and it was yummy to get such a treat!

We are coming to the USA on September 29th for 6 weeks.

We can't believe that the last time we were in the States was 6 years ago! Elfi and I

Hope to reconnect with many

of our old friends in St Louis, Columbia MO, and Chattanooga etc. We would love to see you over breakfast, cup of coffee, Lunch or dinner or even a chat on phone and share exciting things of what God is doing in Kenya. Please email us and let us know how we can visit with you or share at Church, mission group or home group.
