

Urgent Needs Bulletin July 2016

Dear family,
We hope you are doing well by the Grace of God.

I can only come to you again and again about everything we face in our ministry.

I am in need of a vehicle for our work in Togo. My car is broken again and I don't think it will be wise to try to repair it again. Every week the repair costs are too much for our expense.

Our plan was to raise support next year to purchase a sturdy vehicle that can last and handle our bad roads. The PMI Board has already approved raising up to \$20,000 for a vehicle (a good used vehicle in Togo is very expensive because all makes and models including parts are imported). Since it is a ministry vehicle, all donations will be tax-deductible. Our missions efforts cover the whole country! It is 400 miles from Lome in the south to Dapaong in the north, where we are holding this year's AMN Conference. We have many towns we work in between and so without a car many aspects of our ministry will be slowed down.

Any EXTRA donation can be sent to PMI 12330 Conway Road, Saint Louis, MO 63141 with "Macklann's car" in memo. Thank you for helping us with this need.

Merci,
God bless you.

Macklann and Rose Basse
