REFORMED BIBLE INSTITUTE MINISTRY UPDATE

1. Ongoing building construction: With the help of churches and individuals, the major project of constructing Reformed Bible institute was started from last June, 2017. The work is still going on. The picture shown below is how far we have completed, half of the building is for Bittner Library and the other half is for class rooms, and dormitory.

The Building

Partition of Class rooms and dorm

2. Dining Hall: This year we plan have a dining hall constructed at the cost of \$5000 which can accommodate 50 people. Please pray for this need. The size will be 70X20 feet with attached kitchen and bathrooms.

Site for RBI Dining Hall

3. Inauguration of Bittner Library and Launching of Ministerial Foundation Course: Donation from the Bittner family enables us to have a library named after Bittner. The library room was inaugurated on January 30, 2018. Andy and his wife Jenny, joined us to officiate the ceremony at the inauguration. Big Thank You to the Bittner family.

12330 Conway Road, St. Louis, MO 63141 or online <http://www.pmiweb.org/donations.php>

Andy Inaugurating Bittner Library

We launched the **Ministerial Foundation Course** (a distant learning program) especially to help pastors' wives. We do this with an intention to make pastors' wives a better helper in their husband's ministry.

However, due to many people are willing to learn we also included laypeople as well. We limit our intake capacity of students to 50 but within three days the seats are full!! Still good number of willing candidates are waiting to get a chance in the second session.

Let us give thank for all the blessing bestowed upon us and continue to pray for the following needs.

1. Dining Hall: The basement section of RBI building is ready for use, however we need a dining hall, kitchen and bathrooms for people who get training here.

2. Bitumen/Asphalt Road: The approach road to RBI campus is about a kilometre is still mud/dusty road depending on the weather so we need a better road.

3. Ongoing Building Construction: We are done with the basement section of the building construction, and we still need to constructed

ground floor, and first floor please continue to pray so that the building will be completed soon.

4. Vehicle: There is a great need for vehicle for RBI ministry please pray for this need too.

5. Elders, Deacons Training: Let us give thanks to God for giving us new leaders (Elders and Deacons) to take care of God's flock in the churches under PCI (R). We are planning to have training for these new leaders under RBI. It will be a week-long training from April 2-7, 2018.

Generating Local Support: Since last year Nov. 2017 we appealed for local support and the responses from our brothers and sisters in local churches was overwhelming. Individuals, departments in the church and families gave gift in cash and in kind for RBI. See photos below for reference.

*In His Grace,
Pau and Kim
Manipur, INDIA*

WE THANK YOU FOR ALL YOUR PRAYERS AND SUPPORT!
