

Spring, 2011
PMI Ministry Update
J. Nelson Jennings, Outgoing President

Thank you for your interest in Presbyterian Mission International. As our burgeoning website shows, PMI continues to grow as an organization. Please visit our website regularly to keep up with our overall updates and especially our missionaries' news. All of us involved with PMI deeply value your informed prayers.

In light of our continued growth, and as I reported in the Winter-Spring Ministry Update, PMI has brought on a Director to spearhead the increased demands we face for serving our missionaries and supporters. The PMI Board is grateful to have Rev. Tom Hudson as our new Director. Tom and his wife Carol served for many years as missionaries in Portugal, and Tom brings much experience and passion to this new role for him and for PMI. Please pray for Tom in his transition into his many important responsibilities with PMI.

It has been my distinct privilege to serve as PMI President since 2002. My wife and I are moving to New Haven, CT this summer, where I will join the senior staff of the Overseas Ministries Study Center. Director Hudson will assume most of the responsibilities I have carried as PMI President, but Dr. David Chapman of the PMI Board (and on the New Testament faculty at Covenant Theological Seminary) is now the Board President and will oversee PMI operations. I am grateful for how God continues to supply all of PMI's needs, including through friends like you.

Yours in Christ,

J. Nelson Jennings
Outgoing President
