Dear Friends,

We had a very busy time in December and January. Finally I can write a couple of lines to update you about our ministry and life.

We are thankful for the following  **blessings and answered prayers:**

1. For our church as it continues to grow. We have slowly outgrown the coffee shop the past year. Sunday mornings are packed with around 100 people.
2. The Lord blessed every church event we had during the Holidays. We had an especially fun time together on New Year's Eve with lots of fun games and a guest instructor who taught us Jewish and Scottish line dances. It was also a great "family time" of prayer and thanksgiving.
3. For 13 small Bible study groups (65 people), which started last fall. People are hungry for fellowship and for studying God's Word. He has blessed us.
4. For our youth group: Lots of new kids coming...around 25-30 High school kids attend our meetings.

5. For all the people who serve in the church. There is lots of work to do in order to convert the coffee shop into a church service. Thank God for a wonderful committed group of people who are willing to faithfully serve.
6. For our girls! They are fully behind us and always quick to serve and help out. It is a joy to do the church plant with them!
7. For my online MAC studies at Westminster Seminary. I love my classes and professors.
8. Rob preached through the book of Ephesians this past fall.

As we start the New Year, we are already busy planning. Many exciting things are waiting for us in 2018, We are praying for wisdom, guidance and the Lord's blessings in all that we feel He is leading us to do.

We would like to ask you to **please pray** for these things with us:

1. **Bible Study groups** are restarting next week. We had two evenings in January with the leaders getting them ready to lead our study through the book of 1 Peter.

2. **Youth.** Some of our High school kids are also in Bible studies. We meet twice a month on Saturdays. Please pray for an awakening and spiritual growth among them.

3. **Spring training times** in our church have started – Rob is teaching Biblical Theology and Kálmán is teaching Spiritual Growth classes.

4. **Membership weekend** – March 23-24 We only do this once a year. Please pray for many people to make a decision to commit themselves to the church and want to become members.

5. **Family – Hajni** turned 18, **Csenge** 16 – we need God's guidance especially in making plans about Hajni's further studies. Please pray for their spiritual growth and wisdom as well. **For Rob** as he leads the church and is seeking God's guidance on many decision.

6. **Travel to America** in late May to mid July– safety, planning, visiting churches, people, and family. We would like to see as many of you as we can. It has been five years since we have been back as a family!

7. **My studies** at Westminster Seminary online MAC program. The classes are very demanding and take much of my time.

Finally, please pray for our finances as well, as we will need extra finances this year because of our trip back, and my tuition expenses. We have tasted and seen the Lord's goodness so many ways throughout the past 18 years and trust that He will provide this year as well. Thank you for being a huge part of God's blessing in our life and through you all we have experienced His faithfulness time and time again!

Please know how thankful we are for you. I always testify about your faithfulness here in Hungary when someone makes a comment about how our church is so blessed. I say to them, that you do not see the spiritual army behind it. If I would lift up the invisible curtain, you would see a faithful army lifting us up in prayer. We might be fighting here as visible "soldiers", but this battle belongs to the Lord, who raised up this wonderful army behind us! Thank you for your prayers and love for us!

I will copy the link of our church's website here: <http://sarokko.com/>  
It is in Hungarian, but still I send it so you can see the Lord's work in pictures!

***In His unchanging love,***

*Tünde for the family*
