

CLASS OF 2015 AMN INSTITUTE GRADUATES

Dear friends and co-laborers,

I pray this finds you in good health and walking in the joy of the Lord. I am so grateful to give you this update. Our

AMN Missions Institute has begun a new year with 3 sites for training:

- Lome 15 students
- Kara 10 students
- Pagouda 20 students

The Institute offers a pastoral and missions training program and is the main focus of my ministry ... although Rose and I are busy with many other opportunities that the Lord gives us!

We anticipate a great two year study program with these 45 students and anticipate more students will join in! The picture below shows this year's students in Pagouda:

AMANA Conference

Each summer the AMANA Conference is a great gathering to study a book of the Bible and has a unique theme:

- 2011 Your Kingdom Come
- 2012 The Mission is Grand
- 2013 Here Am I, Lord, Send Me!
- 2014 You Will Be My Witnesses
- 2015 As For Me and My House, We Will Serve the Lord
- 2016 Go Into All the World

This year the delegates will be studying the Gospel according to Matthew. The conference will be held August 3-8. We would sincerely love to have you come join us! Or sponsor a student to attend!

Pray for Justin: *AMN graduate and missionary in northern Togo, came for a visit in February and while going to help our first Muslim convert lady and child, was hit by a car. God being on our side, no broken bones but painful wounds on his arms and leg. Praise God he has improved and was able to return to his field.*

With gratitude for your support,

Rose and Macklann Basse

Please pray that Rose and I find firm footing in our Lord while we manage our time and our family life with ministry responsibilities.

-Macklann

L'ecole Nouveaux Depart SCHOOL OF NEW BEGINNINGS

PRINCIPAL
ROSE BASSE

In September 2010 our school opened its doors with 13 children ages 3-5 and 1 teacher. So many of our friends in America donated the materials and school supplies to give our school a strong start. This June we will finish our sixth year with 138 students and 10 teachers! Rose is the Principal and both the children and staff are flourishing under her direction. Pray for these young students, some who come from Muslim families, to know the love of their Heavenly Father, to learn well, and for the funds needed to provide school fees, books, teacher salaries and roof repairs needed for flooding into classrooms caused by heavy rains.

Your support is nurturing believers and growing the church in Togo. Feel free to share this email newsletter with others.

Please pray that more churches and individuals can become involved with prayer and financial support of our ministry in Togo training pastors, children, serving the poor and building the Kingdom of God. Would you consider sending a contribution to our PMI account today? Any one-time or monthly donation to the ministries of Macklann and Rose Basse will be tax-deductible and greatly appreciated! Donate by mailing a check (write Basse in the memo line) to PMI at 12330 Conway Road, Saint Louis MO 63141.

Online contribution options are coming soon - check out pmiweb.org for more details.
