Together in God's Mission

Thank you for walking alongside us in ministry. Guille continues serving as pastor of St. Andrews Presbyterian Church in Buenos Aires. Alongside his pastoral work, this report shares updates from his educational ministry.

MISSIONS / ST. LOUIS, MO

Encouraged by God's Work Around the World

Guille was invited to preach at Central Church's missions conference in St. Louis, MO. We celebrate Central's commitment to missions and were grateful for the opportunity to be part of this gathering.

It was a joy to connect with more than 40 missionaries and hear their testimonies. Their stories gave us a glimpse of how God is at work around the world and reminded us of the privilege of sharing in his mission.

EDUCATION, FAMILY & PRAYER

Serving through education

Teaching at the Seminary

Guille continues teaching at the seminary. This semester he is teaching a course in New Testament Interpretation. We are thankful for the opportunity to serve the students and contribute to their theological education.

Partnering with the Hurtado Foundation

After earning his PhD in Biblical Studies, Guille was invited to collaborate with the Hurtado Foundation. This organization promotes theological education in Latin America by helping seminaries strengthen their academic programs. It also fosters collaboration among institutions and offers workshops to help professors develop their teaching skills.

As part of this work, Guille taught at and helped organize a conference at the International Baptist Seminary in Buenos Aires, bringing together four local seminaries as partners in the event. It was a joy to see their students and professors serving together with a shared vision for God's Kingdom.
