News from Guille & Debbie

MAC KENZIE

October 2016

Argentina

Estimados hermanos & hermanas:

Thanks for your friendship and partnership in helping us spread the Gospel in our beloved city Buenos Aires. We'd like to briefly share with you all some updates on our ministry and prayer requests.

Misión Beta

In August we asked your prayers because we were organizing our second conference with the presence of two visitors: Pastor Andrés Garza (Director of City to City Latin America, based in Monterrey, Mexico) and Pastor Samuel Lago (Board member of Fundación Generación, Chile). Thanks God, we had almost forty pastors, church planters and leaders attending, and we could enjoy not only good presentations, but also a wonderful time to connect with other servants of God and share experiences.

Our next challenge is in March 2017... We are having the opportunity of receiving Dr. Gene Wilson and Dr. Craig Ott (TEDS), co-authors of *Global Church Planting*. Their visit gave us the chance of working together with the Instituto Biblico Buenos Aires (theological seminary) offering a course for different academic levels. Praise God! Please pray with us for the details of this great opportunity.

Our multi-cultural church has services in Spanish, Taiwanese and Chinese.

Praise Points

Youth Retreat

In August we had a youth retreat, with over 90 participants. It was kind of crazy, because we were not prepared for so many people, but God works beyond our expectations.

Last weekend, we also had a retreat for kids, with around 30 participants and 30 leaders and helpers. God is moving!

Prayer requests

"Pray without ceasing" 1 Thes. 5:17

Besides those prayers already mentioned, please continue to pray for our new one-on-one discipleship program at church. We are excited about it and praying that God will use it to strengthen our spiritual roots.

Also, please pray for our family, for wisdom in some decisions to come regarding the kids' schooling.

Thank you all for your continued support and prayers for us.

My academic passion

A couple of weeks ago I came back from presenting a paper at the national conference of the Evangelical Missiological Society, held at the Graduate Institute of Applied Linguistics in Dallas, TX.

I want to thank those who came alongside us financially to help us attend this conference. I presented an article on the transition of St. Andrews' Presbyterian Church from being a Scottish monocultural denomination to become a multicultural open church. It was a wonderful time, not only for me presenting, but most of all for listening to so many other scholars who are concerned with and researching the multicultural challenge all over the world.

Coming to the end of this year, we also want to sincerely thank all those of you who support us financially and prayerfully. We highly appreciate your friendship and, although our account has been struggling, God is faithful and has provided us through many different surprising ways. If you or your church would like to start supporting us or bless us with an end-of-year donation to help us strengthen our account, we would greatly appreciate it. Online donation options can be found at <http://pmiweb.org/donations.php> or mail a check payable to PMI 12330 Conway Road, St. Louis MO 63141 with a note for "Guille Mac Kenzie." Thank you!

God bless you, Dios les bendiga,
Guille & Debbie
