Dear Brothers and Sisters,

Just a quick fall update.

Matters for praise:

- Despite the growing anxiety over the economic crisis and challenges we had a **very blessed (and spiritually intense) Sonship conference** at the end of August with the highest number of participants ever (we were 60 altogether). It seems in time of crisis there's definitely a growth in spiritual hunger.

- We have started the **new academic year at Sinship Academy** with 66 new students (110 altogether in the 3 classes/years) in a new even more suitable facility (we are renting).

Sonship staff

Back to school (Academy)

Matters for prayer:

- health and strength for being able to continue and strengthen the fundamentally discipleship based roma ministry.

(The Roma Mission Team)

- God's personal guidance with respect of our ministry focus and priorities (Roma ministry, Sonship Academy and deliverance ministry)
- more intense devotional time with the Lord for both of us (Timi and I).
- strenghtening of relationships with local (non Roma community) ties and friendships
- that we may be able to stay calm and steadfast in faith in the coming winter season where the utility (especially heating) cost will be highest ever.

Thank you all so much!
Many Blessings,
The Suhai's
